
Appendix D: Public Comments

Give your input on transportation
needs for the:

FAYETTE & RALEIGH COUNTY REGION

Fayette/Raleigh County Metropolitan Planning Organization (MPO)

2040 Transportation Plan

1:00 pm, September 15, 2014

Oak Hill City Hall Council Chambers

100 Kelly Avenue, Oak Hill, WV

Our future prosperity depends on our ability to keep people and goods moving safely and efficiently within, and through, our region.

As we grow and change, so will our travel patterns and the types of transportation facilities and services that our citizens need.

Your input is needed as we develop the 25-year Regional Transportation Plan, which addresses travel by all modes, including streets and highways, bikeways and walkways, public transportation, aviation, rail and waterways.

The Plan will include only the projects and programs that can be funded with the amount of revenue expected to be available over the next 25 years. This means choices must be made – so it is important for you to participate in the discussion of needs and priorities.

Citizens unable to attend the meeting are encouraged to provide written comments at the Fayette-Raleigh MPO's website at: <http://www.frmpo.org/>, or via U.S mail to Fayette-Raleigh MPO, 885 Broad Street, Suite 100, Summersville, WV 26651. Comments and questions may also be directed to the Region 4 Planning and Development Council at (304) 872-4970, Ext 303.

To request ADA accommodations for this meeting, please call The City of Oak Hill at (304) 469-9541.

COMMENTS

p. 4-28 - There is a new statewide freight rail plan being developed. They are trying to locate intermodal transfer sites here at Pritchard WV.

4-29 - Montgomery Station - The New River Excursion Train no longer stops there. - Thurmond Station is NOT an Amtrak stop. Amtrak stops at the Grade Crossing. They have a sign board - called a "Kiosk" - Prince - Station Agent means checked bags and small package express service.

Montgomery - across the County line is a yard at Handley that could be used for staging trains for special movements (Scouts etc.)

COMMENTS

4-63 - By design Campers coming to the Boy Scout Reserve come in groups only rarely individually. Mostly bus/van - a few by train.

Table 4-27

Item TR-23 Service to Charleston - This should be a higher priority.

Page 4-27 - Safety includes more than grade crossings - it includes emergency response - especially Haz mat

Page 4-29 KRT has never served Thurmond and will soon not serve Montgomery station.

COMMENTS

I would like to see the road widened and be
 one way turning only going ^{continuing to} Robert C Byrd Drive
 the traffic lights from the Plaza mall - the cross
 road mall should just blink yellow from about
 6 PM - 6 AM would help Frustration.
 The ~~CCRA~~ RCCRA needs earlier & later ~~hours~~
 Busses running. ~~One Sat~~ Sat busses and one day
 a month to go shopping at Oak Hill.

Bus / public transit	Poor
Pedestrian facilities	Poor
Bicycle facilities	Poor

PAGE 2

Q3: Which roadway or intersection is your biggest concern? In addition to providing the road name(s), please indicate whether it's in Fayette or Raleigh County.

Route 19 through shady and beaver in Raleigh county

Q4: Why did you choose this roadway or intersection as your greatest concern? (Check all that apply.)

Safety, Traffic congestion/bottleneck

PAGE 3

Q5: How often do you ride the bus or use other public transit?

Never,

Any comments? Not available

Q6: Did you know there is public transit service in both Fayette and Raleigh counties?

Yes

Q7: How often do you walk or ride a bicycle in order to get somewhere?

Click here if you only walk or bike for exercise / recreation.

,

Any comments?

Not safe to do so because no bike lanes and few sidewalks

PAGE 4

Q8: If you had \$100 dollars, how much would you spend on each part of the transportation system?

New or widened roads	50
Buses / public transit	20
Pedestrian facilities	15
Bicycle facilities	15

Q9: Please tell us a few things about your regular travel.

Do you drive?	Yes
Do you own a vehicle?	Yes
Do you work in either Fayette or Raleigh County?	Yes

Q10: Here's the last question.

	Gender	Age Range
About you:	Female	35 to 44
Zipcode where you live		25825

Q11: Any other comments or suggestions about transportation in our region?

Respondent skipped this question

Q1: How do you usually get to work/school?Other (please specify)
have friends or family drive me**Q2: How would you rank the region's transportation system in each of these areas?**

Traffic	Fair
Safety	Fair
Road maintenance	Fair
Bus / public transit	Poor
Pedestrian facilities	Poor
Bicycle facilities	Poor

PAGE 2

Q3: Which roadway or intersection is your biggest concern? In addition to providing the road name(s), please indicate whether it's in Fayette or Raleigh County.

the "small" side walk on the the overpass of main street in Oak Hill & the fact there is no walkway from Mcdonald's to Save A Lot (some people don't drive)

Q4: Why did you choose this roadway or intersection as your greatest concern? (Check all that apply.)Safety,
You can add further detail in this box.
Some people don't drive and it's dangerous and scary

PAGE 3

Q5: How often do you ride the bus or use other public transit?

Once a week,

Any comments?

I would ride it at least once a week or more if it's hours more convenient & if there would be a way to where the Oak Hill and Beckley Bus could meet in an area

Q6: Did you know there is public transit service in both Fayette and Raleigh counties?

Yes

Q7: How often do you walk or ride a bicycle in order to get somewhere?

At least twice a week

PAGE 4

Q8: If you had \$100 dollars, how much would you spend on each part of the transportation system?

New or widened roads	10
Road maintenance	10
Buses / public transit	40
Pedestrian facilities	30
Bicycle facilities	10

Q9: Please tell us a few things about your regular travel.

Do you drive?	No
Do you own a vehicle?	No
Do you work in either Fayette or Raleigh County?	Yes

Q10: Here's the last question.

	Gender	Age Range
About you:	Female	25 to 34
Zipcode where you live		25901

Q11: Any other comments or suggestions about transportation in our region?

It's a challenge for people who don't drive or people with disabilities who don't drive to be able to get to and from areas in safely, including doctor appointments, grocery shopping, picking up prescriptions, work, exercise, etc.

Traffic	Excellent
Safety	Good
Road maintenance	Good
Bus / public transit	Poor
Pedestrian facilities	Good
Bicycle facilities	Good

PAGE 2

Q3: Which roadway or intersection is your biggest concern? In addition to providing the road name(s), please indicate whether it's in Fayette or Raleigh County.

Rt 19 just as entering 19 south before Pea ridge exit. In Fayette County

Q4: Why did you choose this roadway or intersection as your greatest concern? (Check all that apply.)

Safety, Traffic congestion/bottleneck,
You can add further detail in this box.
Not enough distance to cross 3 lanes of traffic if
you need to turn on to Rt. 16 ...

PAGE 3

Q5: How often do you ride the bus or use other public transit?

Never,

Any comments?

We have no public transportation that can be used
for employment. The local MTA HAS VERY
LIMITED service and not usable. ..

Q6: Did you know there is public transit service in both Fayette and Raleigh counties? Yes

Q7: How often do you walk or ride a bicycle in order to get somewhere?

Never,

Any comments?

Service needs to be regular with many more pickup times to be beneficial to the community.

PAGE 4

Q3: Which roadway or intersection is your biggest concern? In addition to providing the road name(s), please indicate whether it's in Fayette or Raleigh County.

Harper Road - Raleigh County

Q4: Why did you choose this roadway or intersection as your greatest concern? (Check all that apply.)

Traffic congestion/bottleneck,

You can add further detail in this box.

From the top of the hill around McDonalds to the bottom at the intersection with Robert C. Byrd, it is dangerous and congested. The sidewalks need to be repaired to benefit the increasing number of pedestrians, crosswalks and sidewalks are needed around the hotels, and the stop lights from top to bottom need to be fixed and timed better. I would strongly suggest opening up Sunset Drive to New River Drive to alleviate the traffic heading to the Maxwell Hill neighborhood.

PAGE 3

Traffic	Good
Safety	Poor
Road maintenance	Poor
Bus / public transit	Poor
Pedestrian facilities	Poor
Bicycle facilities	Poor

PAGE 2

Q3: Which roadway or intersection is your biggest concern? In addition to providing the road name(s), please indicate whether it's in Fayette or Raleigh County.

Robert C. Byrd Dr./Oakwood Ave./4th Street intersection RALEIGH

Q4: Why did you choose this roadway or intersection as your greatest concern? (Check all that apply.)

Safety,

You can add further detail in this box.

While oakwood and 4th street by tudor's have a light, 4th street by CVS is governed by a stop sign, which creates confusion. Also, because of the angle Oakwood comes into the intersection there is overlap between people turning right from Oakwood and left from 4th street by tudor's. This intersection would be ideal for a roundabout instillation. At the very least, the traffic light situation needs to be reworked to include 4th street by CVS and prevent people from turning left from 4th by tudor's, while people are turning right from Oakwood.

PAGE 3

Q5: How often do you ride the bus or use other public transit?

Never,

Any comments?

The existing system is highly inconvenient and not a viable alternative to driving.

Q6: Did you know there is public transit service in both Fayette and Raleigh counties?

Yes

Q7: How often do you walk or ride a bicycle in order to get somewhere?

Once a month,

Any comments?

Pedestrian and bicycle facilities in the area are poor. Beckley's sidewalks are in particularly rough shape and are routinely blocked by parked cars and other obstructions.

PAGE 4

Q8: If you had \$100 dollars, how much would you spend on each part of the transportation system?

New or widened roads	0
Road maintenance	10
Buses / public transit	50

Do you work in either Fayette or Raleigh County?	Yes

Q10: Here's the last question.

	Gender	Age Range
About you:	Male	16 to 24
Zipcode where you live		25801

Q11: Any other comments or suggestions about transportation in our region?

The public transit system needs to be totally reworked to be more visible and practical for daily use; it also needs to be unified between the two counties.

Sidewalks and other pedestrian facilities need to be more protected from obstruction by actually enforcing ordinances already on the books.

The MPO needs to be relocated into the area it serves. Its hard to get a full picture of the transportation needs of the region when you're located an hour north or 45 minutes south of the population center. Perhaps do a complete separation of the MSA from its respective regional planning districts and create a new COG for the two counties that can provide MPO and general planning services for the region.

PAGE 2

Q3: Which roadway or intersection is your biggest concern? In addition to providing the road name(s), please indicate whether it's in Fayette or Raleigh County.

In Raleigh county, the junction of New River Drive, Robert C Byrd Drive, and N Kanawha Street.

Q4: Why did you choose this roadway or intersection as your greatest concern? (Check all that apply.)

Safety,

You can add further detail in this box.
Robert C Byrd Drive is extremely hard to access from New River Drive, requiring a dangerous turn without enough visibility or a drive through an unregulated parking lot. It is also difficult to access from Kanawha Street because there is no acceleration lane.

PAGE 3

Q5: How often do you ride the bus or use other public transit?

Never,

Any comments?

I would ride public transit on weekdays if I could get from the Convention Center to either Pikeview Drive as a pedestrian or Harper Road as a cyclist.

Q6: Did you know there is public transit service in both Fayette and Raleigh counties?

No

Q7: How often do you walk or ride a bicycle in order to get somewhere?

Click here if you only walk or bike for exercise / recreation.

,

Any comments?

There is no safe pedestrian or cyclist access from the Convention Center to anywhere else.

Q10: Here's the last question.

	Gender	Age Range
About you:	Female	55 to 64
Zipcode where you live		25801

Q11: Any other comments or suggestions about transportation in our region?

I wish the State would let us set and KEEP SET our traffic signals. We know our community and the times of most congestion. We have set them in the past and they re-set them. It is very frustrating.
